CHRISTMAS

AT ST PAUL'S CASTLE HILL

We can't wait to celebrate Christmas with you and your family!

CHRISTMAS EVE

4pm - Kids service

A fun, energetic service, perfect for you to enjoy with your preschool and primary aged children. Lots of singing and dancing, a simple christmas story, and our worship band leading carols. We clear the floor down the front of church so plenty of room for kids to move about and wiggle.

Family Fun Fair

After our kids service, head straight outside to our family fun fair! Activities (all free!) include petting zoo, face painting, tattoos, balloon animals, jumping castles, colouring station, photobooth and a fun nativity character stamp hunt.

We'll also have some yummy free treats, (one per child) - snowcones, popcorn and icecream cups. And for dinner, we'll have a sausage sizzle running, where for a gold coin donation you can grab a sausage sandwich and a drink.

CHRISTMAS DAY

10am - Family service

A wonderful service for all ages, join us on Christmas morning for a fun and energetic start to your Christmas Day!
Carols will be led by our worship band, and we will have a kids corner set up in church to help your younger ones engage in our service.
