OUR FACILITATORS

SAM AND SANAA LABIB

have been married for 35 years. They have three beautiful (most of the time) adult children. They work together as General Practitioners. For 35 years they have studied together, worked together, travelled together and played together (and haven't killed each other yet).

In the past few years they have become passionate about enriching the marriages of others. Trained through Better Marriages Australia and now serving as committee members, they would love to share their journey with you

ROB AND ANNE WILLIS

have been married for over 40 years and they have been particularly blessed through a number of recent marriage enrichment experiences. Rob has worked in school leadership for many years and Anne is a part-time Teacher Librarian, Medical Receptionist and grandmother!

Rob and Anne will focus on some of the key communication skills in their marriage; which always involve 'give and take'. They know communication must be intentional. They will show how a capacity to forgive and move on has helped their marriage to thrive.
